

2020 Mary and Anna Memorial Ride - COVID 19 plan

- Assign a “COVID Steward”
 - Can be EDRA Steward at an EDRA ride, if that steward agrees.
 - Responsible to uphold all of the COVID precautions before, during and after the ride.
- Pre-entries only
 - No “day of” entries accepted.
 - Packets made for all entrants.
 - Packets include:
 - Trail Maps.
 - COVID Waiver
 - Complete list of Ride Camp Rules.
- Make online post with ALL trails for all distances available for download through Ride with GPS. Include instructions for downloading Ride with GPS app in smartphones.
- “Local” riders will be requested to not camp at the ride site. They will be asked to pre-enter, show up ride day, and leave after their last vet check, if the horse is cleared for transport.
- Limited meetings
 - If a person has a specific question of ride management, or vets, they must approach alone and maintain 6’ rule.
 - Social distancing will be enforced at the ride meetings.
- No meals provided by ride management.
 - Boxed lunches and suppers will be provided to all vets and volunteers.
 - Bottled water will be provided to all vets, volunteers and riders.
- Hand sanitizer will be provided at the vet check and near registration area for riders and vets.
- Riders not willing to adhere to safety measures put in place by ride management will be asked to leave.
- There will be 6 porta-potties available at ride camp. There will be one porta-potty at the out vet check.
 -
- Vet check protocol
 - Ride Veterinarians will retain all of the rider vet cards for the duration of the ride.
 - Riders/crew person and horses will maintain 6’ distancing in vet lines.
 - 6’ marking will be done by ride management so the 6’ line is consistent.
 - All riders will approach the veterinarians with a face mask on.
 - Riders will be responsible for bringing their own masks to the ride and having them available on their person at all times.
 - All riders/crew will stay on the opposite side of the horse from the veterinarian during vet check presentation.
 - All riders and horses will be required to spend their vet check in their individual camps on “in camp” holds.
 - All rides and crews will be required to maintain 6’ rule while at “out checks”.
 - Hand sanitizer will be available at the pulse and vet check area.
 - A mash will be available for the horses, but riders must scoop some in a separate pan and move to their crew area.
 - Down timer will write down rider’s out time on a record sheet and give the rider a card with their down time information.
 - Veterinarians will wear their face coverings as required.
 - Veterinarians shall utilize hand sanitizer between horses/riders.
